

# Vendor Information and Application

Dear Vendor:

For 60 years the town of Warren has geared up for a great 4<sup>th</sup> of July celebration featuring a fun parade, games, live music, and dancing. Vendor locations for the day's events are in Warren Village and at Brooks Field (elementary school) where activities follow the 10am parade.

As always, Warren holds its celebration on the Fourth of July. Always. The parade starts around 10am with live music and street dancing from about noon to 2:30pm on Main Street. Simultaneously, there is live music and kids activities at Brooks Field.

**Fees:** All vendors spaces are \$150 for Brooks Field, \$200 for Warren Village or \$275 for both locations. This fee includes access to power at Brooks Field. There is no access to power in Warren Village. This fee also includes access to Dumpsters to assist you in your clean up. The only request is that you do not pour liquids onto the festival grounds or into the trash cans.

**Timing:** Set up may occur the evening of July 3 or PRIOR to 8:00am on July 4. All access to school and village will be restricted after 8:30am. If you arrive after 8:30am, you will not be admitted to the festival grounds and will forfeit your vendor application fee.

Prior to July 4, you will be mailed a map with your vendor location marked. Please review carefully and place your vehicles only in the designated area. YOU MUST NOT drive on the field at the elementary school as the field is the location of the town's septic field. Please stay on the designated roadway. If you have questions or special requests, please alert me as soon as possible so I may accommodate your request. Call Susan at the chamber of commerce 1-800-828-4748, 802-496-3409 or email [chamber@madriver.com](mailto:chamber@madriver.com)

Mail your check or money order payable to:
